

“Candidate list of Substances of Very High Concern (SVHC) for Authorisation”

Vicenza, 28/06/2018

Dear Customers,
Gentili Clienti,

With reference to 1907/2006 regulation (REACH) we would like to inform you about the latest changes to the “Candidate List of Substances of Very Concern (SVHC) for Authorization”. You may also read about those changes by visiting the following link on the internet:

In riferimento al regolamento “1907/2006 (REACH)” vi informiamo in merito agli ultimi cambiamenti alla “Candidate List of Substances of Very Concern (SVHC) for Authorization”. Potete anche tenervi informati consultando il sito:

http://echa.europa.eu/chem_data/authorisation_process/candidate_list_table_en.asp

Based on the current status of this list dated 27 June 2018, we hereby confirm that none of the listed products are contained in brazing products, except:

Boric Acid, Disodium Tetraborate Pentahydrate, Sodium Tetraborate Decahydrate,

Please refer to the following table for full details.

Basandoci sullo stato attuale della lista datata 27/06/2018 confermiamo che nessuno degli elementi presenti nella lista sono contenuti nei nostri prodotti per la saldobrasatura, ad eccezione di: Acido Borico, Disodio Tetraborato Pentaidrato, Tetraborato di disodiodecaidrato,

Nella tabella qui allegata trovate i dettagli.

In case you have any further questions regarding the specific subject matter or REACH in more general terms, you may contact our REACH Team, Mrs Paola Peserico, directly under email:

Nel caso in cui aveste ulteriori domande in merito al regolamento Reach in termini generali, potete fare riferimento al nostro contatto del Reach Team, Sig.ra Paola Peserico direttamente all'indirizzo email:

Paola.Peserico@italbras.it

With best regards,
Con i migliori saluti,

Barbara Benetti
TQM-EHS Manager
ITALBRAS S.p.A.
