

Company Policy for Quality, Safety, Environment and Employee's Rights

We strive every day to provide our customers with products and services that meet their needs and that aim for excellence in order to be considered the market leaders. We work constantly to understand every new market need and to win the trust and customer satisfaction.

Our commitment to Continuous Improvement, to the Health and Safety of Employees and to the respect for the Environment, is an integral part of our daily business activities.

We respect employees' Rights and cultural and gender diversity.

Our goals are clear, concise and in line with the company strategy.

We follow all applicable laws, all agreements and internal regulations, company values and the Code of Conduct.

To achieve these purposes, we provide appropriate organizational and economic resources.
